

linking edinburgh libraries

**ELISA Vision Statement
May 2009**

To work collaboratively to raise awareness of Edinburgh's library collections and services.

We will do this by pursuing three strands of activity:

- 1. Develop a self-sustaining professional network and share staff development opportunities and other collaborative initiatives.**
- 2. Improve access to services and collections through the Edinburgh Libraries Passport scheme, the Edinburgh Libraries Guide, and through the ELISA website.**
- 3. Develop key events to showcase the ELISA community and its partners.**

We will fund this activity by a modest tiered annual subscription and voluntary support from the ELISA partnership. One-off events and projects will be self-funding.
